Seeking established partners to launch seminars to improve effective teaching

SCHOLARSHIPS

Teaching Training Together desires to expand its reach to more educators around the globe who do not have access to school leader and teacher training. We dream of the impact partners could have in schools and communities through scholarships.

POTENTIAL PARTNER

- ✓ Established in an English or French speaking area
- ✓ Linked to one school of 20-30 teachers to be trained in the one-year program
- ✓ Identifies 1-2 in-country, qualified representatives who can attend a four-day TTT training in Massachusetts, plus training via video/audio calls
- ✓ Cultivates a team working in the country to lead the program
- ✓ Demonstrates a vision and future funding plan to bring TTT to an exponentially greater number of participants in the subsequent years

SCHOLARSHIP INCLUDES

- Office, Operations, and Facilitator training
- Materials for the first 20-30 participants for Year 1
- Ongoing support
- Expertise for future plan

PARTNER PROVIDES

- Trained lead facilitator and seminar technician
- Shipping/transportation of materials
- Venue, A/V equipment, and food service
- Funding and plan for future seminar programs
