

TEACHING
TRAINING
TOGETHER

Teaching Training Together provides professional development seminars to underserved teachers and school leaders in developing nations.

Seeking established partners to launch seminars to improve effective teaching

SCHOLARSHIPS

Teaching Training Together desires to expand its reach to more educators around the globe who do not have access to school leader and teacher training. We dream of the impact partners could have in schools and communities through scholarships.

INITIAL PARTNER QUALIFICATIONS:

- Established in an English or French speaking area with access to reliable, remote communication
- Available for seven-week remote training program (4-5 hours per week) prior to Seminar 1 of first year
- Networked to schools to attend the professional development program for each of the three years
- Demonstrates a funding plan to cover expenses to host seminars for three years

SCHOLARSHIP INCLUDES

- Remote training for Lead Facilitator
 - Preparation for year of seminars
 - Management of operations
 - Facilitation of seminar content
- Materials for 30 participants per year (for three years)
- Ongoing operational and content support for each seminar

PARTNER PROVIDES

- People
 - Lead facilitator and Seminar Technician
 - 30 participants per year (for three years)
 - Hosts/funders
- Management of shipping materials
- Expenses to cover venue, AV equipment, and catered food service for each seminar
